*Ben Affleck's Sun in Leo and Jennifer Lopez's Sun in Leo:*

You are both proud, vibrant, warm, but rather self-centered individuals. You both want to be the center of attention, and you may not want to share the starring role with your friend. Neither of you can dominate in this relationship - you must cooperate, which isn't something that comes naturally to either of you. Competition can be quite fierce, for you both have very strong egos.

Although it may not be obvious to others, both of you are very self-conscious individuals, and you are very concerned with your own personal creativity, personal recognition, and personal performance. Being inconspicuous or in the background is not your style.

You tend to either adore each other or despise each other. You are both very loyal, but you must respect and believe in your friend. If you ever feel that the other lacks integrity or honesty, or is competing with you (or surpassing you!), then the admiration that you have for each other turns sour quickly.

*Ben Affleck's Moon in Scorpio and Jennifer Lopez's Moon in Scorpio:*

You are both very intense inwardly, and yet many of your feelings are hidden except from those few with whom you are very intimate. You are wholehearted and often extreme in your emotional reactions; you love and hate, feel rage, triumph, fierce loyalty or complete loathing - all with equal fervor. You can simmer and brood over something for a long time without expressing or releasing your feelings, and you can build up tremendous resentment or guilt this way.

Both of you like to keep things hidden and need privacy; you enjoy having secrets. Because you are both suspicious and cautious about revealing yourselves, those you trust must prove themselves to you and you expect absolute faithfulness from them.

You are sensitive to betrayal and can be intensely jealous.

Since you are both this way, you understand one another very well, but obviously when you clash, it can be quite explosive. You may be very attracted to or repelled by one another.

Both of you crave powerful emotional experiences and may seek this out in various ways, including engaging in challenging or dangerous physical activities, choosing a profession that involves you in life-and-death or intense crisis situations, reading or watching shocking or gruesome horror stories, or by creating emotional storms in your

own personal lives.

*Ben Affleck's Sun Square Jennifer Lopez's Moon:*

The distinct differences in your temperaments inclines you to periods of personality clashes and misunderstandings. In particular, Jennifer Lopez often feels that Ben Affleck does not sympathize enough or try to really understand Jennifer Lopez's feelings. Both of you will have to understand and respect your differences, and make a concerted effort to harmonize your very different temperaments.

*Ben Affleck's Sun Square Jennifer Lopez's Neptune:*

You must guard against mutual deception and misunderstandings. Ben Affleck tends to have an unrealistic view of Jennifer Lopez, and Jennifer Lopez has a tendency to unconsciously capitalize on Ben Affleck's imaginative and often simply erroneous perceptions. The tendency to be dishonest, hide things from each other, exaggerate, and spur each other to unrealistic hopes and dreams is very strong. Both of you must be able to distinguish fantasy from fact, and utilize the increased sensitivity and heightened imagination that you inspire in each other, without letting it cloud your ability to clearly and realistically see other and understand each other.

*Jennifer Lopez's Sun Trine Ben Affleck's Neptune:*

The two of you have a strong intuitive understanding of each other, and you inspire each other's imagination, idealism, and aspirations. You help each other to become clearer about your ideals and religious inclinations, and together you develop a greater sense of meaning and purpose in your lives. You help each other to look beyond the daily problems and issues of your personal lives and focus more on altruistic goals and broader issues.

*Jennifer Lopez's Sun Sextile Ben Affleck's Pluto:*

Ben Affleck helps Jennifer Lopez achieve personal goals, activate Jennifer Lopez's latent talents and strengths, and encourages and promotes Jennifer Lopez's creative work and endeavors. You can be a very successful duo. However, Ben Affleck can be more driving and ambitious for Jennifer Lopez than Jennifer Lopez is, like the "stage mother" who pushes her child to shine and to excel even when it is not the child's own aspiration. Ben Affleck can have a profound influence on Jennifer Lopez, most likely for the good, but possibly not. Subtle manipulation and domination on Ben Affleck's part should be avoided.

*Ben Affleck's Moon Opposition Jennifer Lopez's Saturn:*

Although you both strive to be responsible, respectful, and dedicated to each other, there is a strong tendency for this relationship to focus TOO MUCH on responsibilities and commitments. Ben Affleck is likely to feel unjustly criticized, frustrated by Jennifer Lopez's moral and ethical attitudes, and eventually resent the limitations and responsibilities imposed by this relationship. Emotional distance, coolness, indifference to feelings, and a sense of loneliness or oppression can develop between you. To make this relationship work, you both must avoid the tendency to let your sense of responsibility and concern for the other person cause you to try to control one another's life.

*Ben Affleck's Moon Square Jennifer Lopez's Mercury:*

Jennifer Lopez needs to guard against the tendency to be critical, unsympathetic, and overly analytical of Ben Affleck's feelings, personal tastes, and habits. Jennifer Lopez may feel that Ben Affleck is overly sensitive to criticism, and refuse to acknowledge responsibility for the problem as well. Petty annoyances, minor disagreements, and bickering can be avoided only if you both learn to listen sympathetically and to communicate clearly with each other.

*Ben Affleck's Mercury Square Jennifer Lopez's Saturn:*

Jennifer Lopez is often critical and coldly analytical of Ben Affleck's ideas, and Ben Affleck is likely to feel belittled by Jennifer Lopez. If both of you are able to offer criticisms and comments with a helpful, positive attitude, then this astrological influence need not be overwhelming, but the tendency to feel blocked and frustrated in your communications is very strong. You must make sincere efforts to listen receptively and sympathetically!

*Jennifer Lopez's Mercury Trine Ben Affleck's Neptune:*

You enjoy discussing any subject that has an imaginative or mystical quality - art, music, fiction, theatre, or religion. You kindle each other's imagination and ideals. You work together well in the arts and in humanitarian areas. You have a strong intuitive and psychic rapport and often understand each other without need for words.

*Jennifer Lopez's Venus Conjunct Ben Affleck's Saturn:*

You respect each other and generally are very courteous and polite to each other. Your interactions are somewhat formal, even stilted at times, and Jennifer Lopez, in particular, sometimes feels inhibited and restrained around Ben Affleck.

*Jennifer Lopez's Venus Trine Ben Affleck's Uranus:*

This is a lively, enthusiastic, exciting relationship. You feel very uninhibited with each other and are able to express yourselves freely with each other. If you both enjoy dancing, music, or similar sports, then you have found an excellent partner for these activities!

*Ben Affleck's Venus Sextile Jennifer Lopez's Saturn:*

There is a great deal of mutual trustworthiness, reliability, and responsibility in this relationship that makes you both feel that you can count on each other. You willingly make sacrifices for each other, and a deep friendship between you develops over time. You will assist each other a great deal over the years.

*Jennifer Lopez's Mars Conjunct Ben Affleck's Neptune:*

When the two of you are together, you find it difficult to concentrate on mundane affairs. You enjoy sharing more imaginative or unusual interests, and your conversations frequently turn to artistic, psychological, religious, and metaphysical topics. You are more willing to be childish, playful and silly with each other than with others. However, you have difficulty bearing down on more serious matters and coordinating on practical affairs. Jennifer Lopez, especially, can feel confused and less purposeful when Ben Affleck is around.

*Ben Affleck's Mars Square Jennifer Lopez's Mars:*

You periodically find that you frustrate each other when attempting to work jointly on a project. The problem arises because your approach to work is very different. Very often you will find that you must work on a project separately as successful joint effort is impossible. Fighting, provoking, driving, or pushing one another can be problems for you. There is a great deal of irritation and stress between you at times. At least there is no lack of fire in your relationship!
